Farmville Parks and Recreation: Disc Golf Sponsorship

The sport that was spawned by the frisbee craze is now taking the United States by storm. Disc golf started with people using frisbees and aiming at targets made up of trees, trash cans, light poles, pipes, and whatever else was handy. Now, it is a full-blown sport!

Thanks to community leaders, residents of Farmville will soon be able to play disc golf without leaving the comfort of their community on a newly developed disc golf course in Farmville.

As this is a newly designed course, businesses and individuals alike will receive an opportunity to sponsor tee-pads, signage, and baskets. Sponsorship, regardless of location on the course, will cost \$500.00 to sponsor one hole, and will last five years. After that five-year period, the business/individual may opt to renew.
